

**CO-COUNSELLING INTERNATIONAL
AOTEAROA / NEW ZEALAND 2012**
3rd to 9th January 2012

Welcome to our 7th International workshop. The NZ Coco community is longing for you to join us as we explore and co-create this event and deepen our sense of belonging at every level.

The Venue will again be the Tauhara Centre in Taupo in the central North Island within easy reach of Auckland and Wellington. Tauhara has ample workshop spaces, flexible accommodation, wholesome, GE free, catered food (largely vegetarian), beautifully landscaped grounds and impressive views.

There are also walking tracks with points of solitude, reflection and scenic vistas and a meditation sanctuary. www.tauharacentre.org.nz has more information about Tauhara.

Further afield there are relaxing mineral spas and for the more adventurous longer walks and other traditional tourist activities.

The Programme is co-created and draws on the diverse offerings of all the participants. Over the 7 days there will be abundant opportunity to session, relax and attend workshops and support groups.

The gathering is open to people who have completed a 40 hour training course in CCI Co-Counselling. This CCI workshop is **child friendly** and a programme will be provided for them. There will be a small extra charge for this service.

This is a drug and alcohol free event. Tobacco maybe smoked outdoors.
