

CCI AOTEAROA NZ CO-COUNSELLING WINTER GATHERING 14 -18 JULY 2022 TRANSITIONS

You are invited to our first mini-CCI (an extended Winter Gathering of four nights and five days)

Co-counsellors are invited to participate in a rich process of co-creation, sharing, recharge and deep connection. The gathering is open to people who have completed a 40 hour basic training course in CCI Co-Counselling. It is a drug and alcohol-free event.

Venue: Tauhara Retreat and Conference Centre, Taupo

Tauhara has a large Main Hall for our full plenary sessions with everyone present, plus several other meeting/workshop rooms and spaces for relaxing and socialising.

Accommodation options include self-contained cottages and shared bunkrooms. Caravans and camping facilities are also available (maybe not so attractive in winter but sometimes people bring a motorhome).

The gathering will be fully catered with three healthy, mainly vegetarian, meals a day. Some meat, gluten-free or vegan options available on request.

For further information see: <https://www.tauharacentre.org.nz/>

Please Note: At present Tauhara requires **Vaccine Passes** for all visitors (this may have changed by July; we will keep you informed).

Arrivals:

From 4.00pm onwards Thursday 14 July to allow time to settle into your accommodation space and explore the venue. There will be an Opening Circle after dinner (time to be confirmed) and we ask that all participants arrive in time to attend this.

Programme:

Thursday evening and the first day will be facilitated to create a sacred co-counselling culture and deep community, including culture setting and the development of smaller support groups.

We would love offers if you have a workshop offering which could form part of this facilitated programme. Please contact Robyn if you would like to be part of this process.

The following two days will be co-created drawing on the diverse offerings, interests and skills of everyone present. The cooperatively designed agenda will include workshops, coco sessions, music, relaxation and more...
